Your Solution For "The Missing Cloth"

Custom Printed Touchscreen Cleaning Cloths

Looking for **The Most Frequently Used Promotional Product You Will Ever Buy?**

Having Custom Printed Touchscreen Cleaning Cloths made for your business or event is simple!

Our cloths are made from the **highest quality**, lens grade microfiber and are available in two perfect sizes!

Each cloth is custom printed using a dye sublimation process and folded neatly into a clear PVC pouch.

Our cloths are hand-washable, reusable, environmentally friendly and amazing at cleaning touch screens!!

Why give away a t-shirt or pen when you can have your brand in the hands of your clients every day!

Over 29% of All Adults in The U.S. Now Own a Tablet or E-reader!

And there are even more people that now own touchscreen smartphones and MP3 Players too!

This product is set to surpass the custom printed T-shirt in overall visibility and daily use this year.

A recent survey showed that over 50% of recipients used their promotional cleaning cloth daily, 33% of those kept it with them at all times throughout the day!!
